William Campbell Beats Raiders 72-60

The William Campbell Generals got hot in the fourth quarter to beat the Appomattox Raiders 72-60 in a Seminole District basketball game played at William Campbell last Friday night.

The victory gave the Generals a 10-5 overall mark and a 7-5 mark in league play. It was the third defeat for the Raiders in 15 games and made them 8-3 in the district.

The Raiders got off to a quick lead and led 18-13 at the end of the first quarter, but the Generals came back in the second quarter to outscore Appomattox 18-12 and carry a 31-30 lead in at the half. After three quarters of play it was 48-45 favor the Generals and in the fourth quarter they took it going away. The turning point of the game was on the foul line as the Generals hit on 18 of 26 free throws compared to four of 11 for Appomattox. The Raiders didn't seem to be able to do anything right as they ran into foul trouble early in the game and the Generals took advantage of it by getting a lot of easy layups. The Raiders hit 28 of 62 from the floor for 45% and the Generals 27 of 59 for 46%. The rebounds were very even at 30 apiece as Leon Robinson had nine for the Raiders and Ricky Garrett and Bobby Layne with seven and six apiece. Wayne Lovelace led the Generals with 11 to head them in the rebounding department.

Lovelace took game scoring honors also as he ripped the nets for 23 points for the Generals. He was followed by Stan Austin with 16, Ricky Purcell with 15 and Chuck Austin with 14.

David Johnson led the Raiders in scoring with a 14 point performance coming from the bench. He came in late in the first quarter and started hitting. He hit on seven of his first 10 shots through the first three quarters and finished the game hitting on seven of 13, as he was guarded more closely in the last quarter. He was followed by Ricky Garrett with 12 and Bobby Layne with 11. Turnovers hurt the Raiders a lot as they made 12 to only two for the Generals.

Ready For Klondike Derby!

The wooden sled surrounded by Boy Scouts and their friends (above) is one of three to be entered in the Klondike Derby set for this Saturday in Lynchburg. Scouts of Troop 546 will be competing with other troops in the district hauling a Klondike sled loaded with camping gear and supplies, if colors will help win, the local Scouts have a good chance at the championship; one sled is bright yellow, one lavendar and one blue! Scouts of Appomattox are enjoying their own headquarters on North Avenue where projects like this can be completed more easily. For Moms and Dads, there's probably a paint clean-up job at home on jackets and trousers, however. In the photo: (front, from left:) Bruce Austin, Mike Carter, Henry Coleman and James Faulette. Behind them: Tibby Allen, L. E. Bryant, Ray Fleshman, Greg Dalton, Dwayne Scuggs and Tom Austin.

BUILDING & LOAN ASSOCIATION
Where You Save Does Make A Difference

I'll see to it that your building costs stay within your budget."

Hugh Odom, manager

Yes, it is possible...to build on your property now and keep your costs low. Here's how...

Pictured here is Hugh Odom, manager, Tallahassee, Florida. But Hugh is not unlike any other manager of Jim Walter Homes. Each one was selected because he is friendly...easy to talk to...and he has been trained...trained to work with you, his customer...to work for you, to see to it that your building costs don't run wild, that they can be budgeted. He'll show you how you can help to build your new home...to do some of the inside work yourself, to save money. How much? That depends on you. How much can you do? How much money would you like to cut from the cost of your new home? We'll stop building at almost any stage of inside completion. You tell us when, then you take over. Do the plumbing, the wiring or just the inside painting. Whatever you do, no matter how much or how little, will save you money.

INSTANT MORTGAGE FINANCING to qualified property owners

We'll use exceptionally high quality, low maintenance, building materials. And you can count on your Jim Walter manager to make a series of prescribed inspections to see to it that you do get what you pay for...that you get your money's worth in a quality built home. Complete details will cost you nothing. So let's get together and talk about building your new home on your property now.

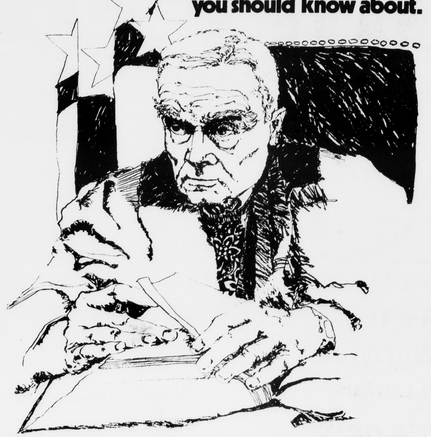
There are some Federal regulations governing savings accounts you should know about.



The amount of interest that can be paid on a passbook savings account is set by law. The highest rate any bank can pay is 4½%.* We pay that.

Now, if a bank tells you its 4½% can grow to 4.60%, it must tell you how. That's the law. And there's the big difference between banks...how they pay interest.

Unlike a lot of banks, we not only pay the highest legal interest rate, but we pay interest on your interest everyday, because we compound interest daily.

That's how our 4½% grows to 4.60%. Your interest is earning more interest.

And that's not all. You don't have to keep your funds on deposit the whole quarter for them to draw interest. That's our law.

FIDELITY NATIONAL BANK
MEMBER F.D.I.C.

*At Fidelity, your savings can earn up to 5-3/4%. Ask about our savings certificates, with interest compounded quarterly.
